

REMARKS

This Supplemental Amendment replaces Figures 14 and 15 (page 12 of 22) of the previously submitted Corrected Drawings filed June 25, 2004. For the Examiner's information, the drawings provided in this Supplemental Amendment correspond identically to the "original" drawings submitted on March 2, 2004 (when the application was filed) which show the sleeve partially over the arm to control its radial deflection. The Corrected Drawing Figures 14 and 15 filed June 25, 2004 inaccurately show the arm constrained but with the sleeve fully pulled back hence, the need to file this Supplemental Amendment. Entry of this Supplemental Amendment is requested.

AMENDMENTS TO THE DRAWINGS

Referring to Figures 14 and 15, please replace page 12 of the Corrected Drawings (see attached).

CONCLUSION

In view of the foregoing, it is submitted that replacement Figures 14 and 15 are acceptable. If any questions or issues arise that are more easily addressed by the Examiner through direct communication with the undersigned, the Examiner is cordially to contact the undersigned at the number listed below.

The Commissioner is authorized to charge any fee which may be required in connection with this Amendment to deposit account No. 50-2809.

Respectfully submitted,
